United Communications Partners Inc. ("UCP") (OTC Markets Group: UCPA) and Making Science Group, S.A. ("Making Science") (BME Growth: MAKS) today announced the execution of a definitive agreement and plan of merger (the "Merger Agreement") between UCP and Making Science Marketing & Adtech, SLU ("MSMA"), a wholly-owned subsidiary of Making Science. Pursuant to the Merger Agreement, MSMA will acquire all of UCP's common shares not currently owned by Making Science and its affiliates in a merger transaction (the "Merger"). Making Science presently owns 1,231,881,346 shares of UCP's common stock through MSMA and affiliates, representing a 76.14% interest in UCP.

Under the Merger Agreement, MSMA will pay cash consideration of \$0.0029086 per share (the "Merger Consideration") to the shareholders of UCP, other than MSMA and its affiliates, in exchange for the shares of UCP, for total Merger Consideration of approximately \$1.12 million. The Merger Consideration represents a premium of approximately 9% to the three-month volume weighted average price of UCP's common shares through to June 10, 2024.

Completion of the Merger will be subject to the approval of the stockholders of UCP, in accordance with the requirements of Nevada merger law, and the approval by a majority of shares held by shareholders of UCP who are present and eligible to vote at the meeting of shareholders to be held to approve the Merger, other than MSMA and its affiliates.

UCP has called a meeting of the shareholders of UCP to be held on July 30, 2024 (the "Shareholder Meeting") to consider the approval of the Merger. Shareholders of UCP as of the record date of June 11, 2024 will be entitled to attend and vote their shares of UCP's common stock at the Shareholder Meeting. The Company expects to mail information about the Merger to UCP shareholders before the end of June 2024.

If the requisite shareholder approvals are obtained and other conditions to the completion of the Merger are satisfied, the Merger is expected to close in early August 2024 at which time the Merger Consideration would be paid to the UCP shareholders.

If the Merger is completed, the business of UCP will be operated going forward as a wholly-owned subsidiary of MSMA.
